Like A Woman

My mother wakes up every day
6 a.m. with no complaint
Tired eyes but wide awake
Oh, she's working hard
She's working hard

Oh, she's working hard

Stand up an educator
Most days kids pretend to hate her
Wear her down
But it doesn't phase her 'cuz
Mo-mma stands with God
Never

Oh, she's working hard

A

mind that she walked with me inside her nine months and let me leech on her love this little boy
For the strength that this is now
